Thursday, February 27th	• No School- Teachers Convention
Friday, February 28th	• No School- Teachers Convention

Message from the Admin Team

Dear Parents and Guardians of Katherine Therrien School,

What a wonderful month January has been at our school! We were thrilled to welcome representatives from PCL, who engaged our students with a fantastic hands-on learning experience. They taught the students about the importance of budgeting and introduced them to the accounting side of their business—a valuable life skill that will serve them well in the future. Additionally, we are excited to share that PCL generously contributed to our school by purchasing a new freezer, which

will be a great asset for years to come.

This month, our Faith Explorers program began its mission of service with Sacred Heart Parish. Each class will have the opportunity to participate by preparing sandwiches for those in need, instilling in our students a sense of community and compassion. Meanwhile, Mr. Sanchez's photography club has been a source of creativity and excitement, as students learn the art of capturing stunning images. Our Grade 2 students had a unique opportunity to attend Mass with other school communities, where they celebrated their faith, learned more about the church, and enjoyed breaking bread together in fellowship.

As we move into February, we look forward to many more wonderful learning activities that will engage, inspire, and enrich our students. Please take a moment to review the important dates shared above, as there are a few days this month when school will not be in session. Thank you for your continued support of our school community. We wish you and your families many blessings in the month ahead!

Warm regards,

Mrs. Menard & Miss Ward

Katherine Therrien School Administration

Information From the Office

- **Message from the Faith Explorers**

- Each class at Katherine Therrien School will be able to participate in our sandwich-making project for Sacred Heart Parish between now and June. This service project takes place once a month. When it is your child's class's turn, we kindly ask for your support by sending either a loaf of bread or a package of granola bars to help with the effort. Your child's teacher will reach out to you with more details when it is their class's turn. Thank you for helping us teach our students the importance of giving back to the community!

- Faith Explorers are also collecting adult winter gloves as a donation item. If you would like to donate and help them out, send them with your child!

- Registration opens Monday, February 3rd for the 2025/26 school year 
 - Planning for next year is only possible with your help! Please ensure that you share with your family and friends all the great things KT has to offer! Registration is all done online, however, if anyone needs any help, we are more than happy to do so! Please call Mrs. De Oliveira in the office to set up a time (780) 456-0175. Thank you for your help in preparing us for another amazing year!

- Intentions for next year 
 - For all our amazing students currently at KT, we ask that you complete your intentions for next year to help with our planning. Navigating class configurations is only possible when we know who will be here with us. Stay tuned for more information about this!

Highlights from this month: 

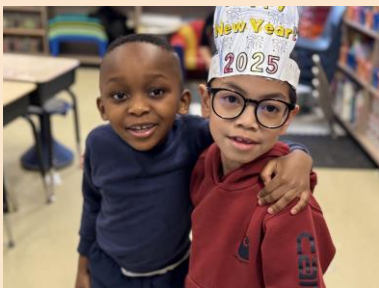

Grade 2s- St Edmund Parish

Grade 2s- St Edmund Parish

Grade 4s were our Hosts for broadcast this month

Celebrating the start of 2025

Winners from Div 1 for the Christ in Christmas competition!

The winner from Div 2 for the Christ in Christmas Competition!

Underground Spirit Week- the students were onto everything we were up to!

The students love the fruit that the school has available for a little extra healthy snack!

Mr. Sanchez's photography club meets once a week on Tuesdays!

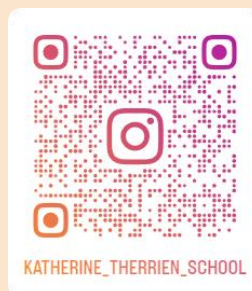

PCL- the team here to teach us about budgeting!

Learning a lot from PCL

So grateful for all the treats! Thank you, PCL!

Follow us on Instagram to see all the magic that happens at KT!

School Council Updates

Dear Katherine Therrien School Community,

The School Council would like to extend our heartfelt gratitude to everyone who contributed their time and efforts to all the school-wide activities. Your generosity and willingness to step in as parent helpers made it a truly special experience. We also want to recognize and thank all the parents who consistently assist with hot lunches, field trips, and other school activities—your involvement enriches our school community and enhances the experiences of our children.

As we look ahead, we're excited about our upcoming casino fundraiser on Sunday, April 13 and Monday, April 14! The Casino fundraiser is the most significant fundraising event we as a school community have to impact our kids. Over the past two years, revenue generated from casinos have allowed us to support the school with the purchase of new sets of Chromebooks, as well as support class trips and activities that enrich their education. We will be reaching out within the week with a callout for volunteers, so please stay tuned! By giving just a bit of your time, you can play a key role in helping us provide valuable resources and opportunities for our students. Thank you for your continued support—we couldn't do it without you!

Warm regards,

Allan Tesorio

School Council Chair
