Message from the Admin Team

Dear Parents and Guardians of Katherine Therrien School,

We want to express our heartfelt gratitude to each of you for making this past month truly exceptional. The joy and sense of community we experienced during our sandwich-making event for Sacred Heart Parish was nothing short of inspiring. Your enthusiasm and participation made a significant difference. Special thanks to the PCL Communications team for leading an engaging day that enriched our students' learning experiences.

Our Grade 6 students enjoyed their visits to junior highs, setting the stage for a smooth transition to the next chapter of their academic journey. The 100 Days of School celebration brought smiles and laughter, highlighting the incredible growth and achievements of our students. Random acts of kindness filled our school with warmth and compassion, showcasing the wonderful values we cherish at Katherine

Therrien.

Thank you for your unwavering support and commitment to our school community. Together, we have created unforgettable memories and a nurturing environment for our children. We look forward to many more months of collaboration and shared success.

Warm regards,

Mrs. Menard and Miss Ward

Katherine Therrien School

School Council Updates

Dear Katherine Therrien School Community,

The new year is full, and the school community is buzzing with activity. As your School Council, we continue to work behind the scenes to plan with the school administration on activities that enrich our children's education, while focusing on continued fundraising that provides us the resources to support these activities. Your participation is key to building a strong school community that we can all be proud of.

Coming up in March, the Council is proud to support the Shrove Tuesday pancake breakfast, the Grade 4-6 ski trip, and a planned Healthy Hunger lunch. On the fundraising side, we of course have our Casino fundraiser in April, as well as planned Purdy's and Growing Smiles fundraisers in the Spring. Finally, we are beginning to plan a potential year-end event in June to celebrate the amazing school year.

At this time, I would like to take this opportunity to thank our school community - school administration, staff, and parents/guardians - for all you do to make Katherine Therrien the best school that we can make it. Again, I'd like to ask for your support in our upcoming casino fundraiser on Sunday, April 13, and Monday, April 14! There are still multiple volunteer positions available, and the school needs to fulfill our casino duties so that we receive the much-needed funds that the fundraiser provides. No experience is necessary, and you will be provided with support throughout your shift. Please visit <https://signup.com/go/nuBTOMy> and sign up today!

Kind regards,
Allan Tesorio
